RE: GN Docket 11-65

Dear Chairman Genachowski,

On behalf of the Wisconsin Supplier Development Council, I urge your support of the proposed merger between AT&T and T-Mobile. This acquisition will trigger innovation and drive the growth of Wisconsin businesses and our member suppliers.

Everyone needs access to technology to compete. Our suppliers rely on wireless broadband for day-to-day work and communication. This merger will bring new, faster technologies and improved voice and data service quality to hundreds of communities and businesses in Wisconsin and throughout the Midwest.

Whether we are accessing the Internet from our laptops, smartphones or tablets, this proposed acquisition will positively impact all of us by expanding broadband access. I hope you will join us in supporting AT&T and T-Mobile and moving this transaction forward.

Sincerely,

Dr. Floyd Rose
Wisconsin Supplier Development Council
